

703 Rigby Lake Dr, Rigby, Idaho | Phone: (208) 745-0200

FINANCIAL POLICY

Payment is required for all services at the time they are rendered. Dermatology of Eastern Idaho accepts payment in the form of cash, checks, Visa, Mastercard, Discover and American Express.

We also participate with CareCredit. CareCredit is a credit card designed to help you finance your health, beauty and wellness expenses by providing a way to pay for the treatments and procedures you want — for yourself and your family — right away (subject to credit approval).

If a check is returned to the office due to insufficient funds, the original check amount plus a \$25 returned check fee must be received within 30 days from the date the check was returned to avoid further late fees and/or collection action.

In the event that a patient's balance becomes more than 45 days past due, a late fee may be assessed.

After a balance has reached 120 days past due, your account will be turned over to an outside collection agency for further action. The patient will be responsible for any charges incurred in such action.

Please help us better serve you and our other patients by keeping all scheduled appointments. If you must change an appointment, please do so at least 24 hours prior to your scheduled appointment time.

The charge is \$50.00 for any missed appointment without receiving a notice prior to 24 hours of your appointment.

Cosmetic treatments are not covered by insurance.
